

LET'S WELCOME OUR NEW DIRECTOR

Tami Christopher

A message from our new Director -

Hello! My name is Tami Christopher and I am thrilled and honored to join The New Britain Youth Museum and Hungerford Nature Center as Executive Director. I began my career in

museum education and over the years have served in executive leadership roles in several organizations developing programs and educational opportunities. I am passionate about connecting people of all ages and backgrounds with nature and creative, active learning and play. Here at The New Britain Youth Museum and Hungerford Nature Center that means:

- Exploring our woodland trails and pond
- Getting to know our animals- mammals, reptiles, amphibians, and birds from near and afar
- Roaming our beautiful garden
- Enjoying some active play in our museum downtown and playground at the Nature Center
- Bringing your friends together for a birthday party at one of our locations
- Picnicking in our pavilion
- And so much more

There are so many great things happening here and so much to do with your families and friends. I look forward to continuing all of the great work of our very dedicated staff and board. Thank you for being part of our wonderful New Britain Youth Museum and Hungerford Nature Center!

I hope to see you soon!
